REFEREEING: Culture, History, Principles

The jujitsu is the generic term that regroupes all methods of empty hand combat that the warriors of the Japanese Middle Ages practiced.

The fierce fights between the various schools of jujitsu contributed to the renown of their Masters and Pupils; it was in general duels between the schools that opposed the best practitioner of each among them.

Jigoro Kano at the end of the 19th century developed a school of jujitsu, that he called "JUDO", different of the other "Ryu" by its object. As the other schools, Judo cultivated the maximal efficiency but the goal was not the same.

"The improvement of the man and the society "

Judo is a method of physical, intellectual and moral education, by the practice of a martial art. Judo is the only martial art from Jujitsu where the grip of the opponent is obligatory; this made its technical wealth, sharpness and intelligence. The confrontation in jujitsu didn't allow real fight since the goal was to kill without being killed oneself.

Jigoro Kano created a discipline where the confrontations allowed applying techniques completely, without ever injuring the opponent.

Ippon was granted only if the fall of the opponent was mastered until the ground or his submission techniques.

Outside of the keys of elbow where one must leave the possibility to his/her adversary to quit, all techniques are executed in the sense of the joints and never in hyper extension.

The control of the fall direction, the impact" full back" and the speed of execution are the definition of the perfect success of the projection technique.

Judo is not a struggle where one accumulates the advantages or points, whether standing up or on the mat, judo is a duel with code. The only goal is ippon, all other values can be counted only if here is will to mark Ippon.

IJF Refereeing Rules

The evolution of the fights and their refereeing through the years

Of the challenges inter-schools of jujitsu without mercy, one passed, in a few more than 100 years later, to a member discipline of the Olympic International Committee.

The competition is today very regulated and fully corresponds to the” Olympic Chart : humanist, educational and social. Judo remains nevertheless a martial art where the duel to 100% must be the rule. An accumulation of points doesn't give the victory, it is the perfect technique rewarded with ippon that puts an end to the fight.

The only exception is the “Waza-ari-awazete - ippon” which, in case two techniques can be valued Ippon are executed, it is judged that they can correspond to” out of fight” (as at the time of the warriors of the Middle Ages) and counted in judo like “ Ippon “.

The refereeing must take philosophically into account the aspect of the duel between the two fighters, and reward them by the just value or the just sanction.

The rewards are :

- Ippon or nearly Ippon (Waza - ari) and Yuko (for the intentions to make Ippon but didn't have complete success),

The sanctions are :

- A warning or disqualification, according to the gravity, for those who put in danger their own health or the one of their adversaries, those who refuse the fight, who stops the fight from taking place fairly, who comes out of the fighting era. All action contrary to the spirit of judo must also be punished.

The one who wins is the one who made “THE” best technique or, if there is not technical result, who demonstrated his/her loyalty by an offensive attitude and fair play.

Culturally and in complement, judo doesn't reduce itself to its Olympic expression, judo remains a martial art, judo is more than a sport, all techniques of the Gokyo are part of the judo heritage and must always be taught.

It is the same for the” kuatsu “, techniques of resuscitations and articular mobilizations practiced about forty years ago by the judo teachers and the referees which are on our days forbidden in some countries. Their practice is not allowed but their knowledge is part of the judo heritage and in no case must be forgotten.

The referees are the guards of the physical, cultural and philosophical expression of Judo.

Judo must be understood to be appreciated.

ARTICLE 18 – Sono-mama

1. In any case where the Referee wishes to temporarily stop the contest without causing a change in their positions, he shall announce Sono-mama, making the gesture under Article 8.9 while he must ensure that there is no change in the position or grip of either contestant.

2. Sono-mama can only be applied in situations where contestants are working in Newaza.

3. Situations

- a) To award a penalty: If the contestant who is awarded the penalty is in an unfavourable position, there is no Sono-mama: the penalty is awarded directly.
 - b) Medical assistance: If during Newaza a contestant shows signs of injury and according to Article 27 may be assisted by the doctor, the Referee may announce Sono-mama and separate the contestants if necessary. Subsequently will place back the contestants to the positions they held before the announcement of Sono-mama being the Referee overseen by the table Judges according to the 'majority of three' rule.
4. To recommence the contest, the Referee shall announce Yoshi making the gesture under Article 8.10.

ARTICLE 19 - End of the Contest

1. The Referee shall announce Sore-made to indicate the end of contest in the cases covered in this article. After this announce, the Referee shall always keep the contestants within his view, in case they do not hear his announcement and continue fighting.

The Referee shall direct the contestants to adjust their Judogi, if necessary, prior to indicating the result.

After the Referee has indicated the result of the contest making the gesture under Article 8, the contestants shall take one step backwards, make the bow and leave the contest area by the sides of the mat, particularly around the security area.

When the athletes are leaving the mat they must be wearing their Judogi in the proper way and must not remove any part of the Judogi or the belt before leaving the FOP (Field Of Play).

Should the Referee award the victory to the wrong contestant in error, the Judges must ensure that he changes this erroneous decision before the Referee leave the competition area, at which the decision becomes firm without possible modification.

All actions and decisions taken in accordance with the "majority of three" rule by the Referees and agreed by the IJF Refereeing Commission shall be final and without appeal.

2. Situations of Sore-made

- a) When one contestant scores Ippon or Waza-ari-awasete-Ippon (Articles 20 and 21).
- b) In the case of Kiken-gachi (Article 26).
- c) In the case of Hansoku-make (Article 25).
- d) When one contestant cannot continue due to injury (Article 27).
- e) When the time allotted for the contest has expired.

3. The Referee shall award the contest as follows

- a) Where one contestant has scored Ippon or equivalent, he shall be declared the winner.
- b) Where there has been no score of Ippon or equivalent, the winner shall be declared on the basis of: one Waza-ari prevails over any number of Yuko.
- c) Where there are no recorded scores or the scores are exactly the same under each point (Waza-ari, Yuko), the one with less Shidos wins. Otherwise the contest shall be decided by the “Golden Score” contest in both individual and team championships.

4. “Golden Score” Contest

When the time allotted for the contest ends giving the circumstances of paragraph 3.c. of this article, the Referee shall announce “Sore-made” to end the contest temporarily and the contestants shall return to their starting positions.

There is no time limit for Golden Score but the scoreboard records from the previous period will be retained.

The Referee shall announce “Hajime” to restart the contest. There shall be no rest period between the end of the original contest and the start of the “Golden Score” contest.

The contest ends as soon as a contestant is being penalized by Shido (looser) or the opponent achieves a technical score (winner), the Referee will announce “Sore-made”.

In the “Golden Score” contest, when one contestant is being held and “Osaekomi” has been announced, the Referee shall allow the hold down to continue for the 20 seconds (Ippon), until Toketa or Mate, or until Shime-waza/ Kansetsu-waza is applied by either contestant with immediate result. The first score of Osaekomi is the winning score.

In this case, the contestant shall win by the points scored.

If during the “Golden Score” contest a direct Hansoku-make is given, the result for the penalized player will incur the same consequences as during a normal contest.

In the event that the Referee decides to penalize one contestant, he must first consult with the Judges and make the decision based on the “majority of three rule”.

5. Special situations on the “Golden Score”

- a) Should only one contestant exercise his right to fight the “Golden Score” contest, and the other contestant declines, the contestant who wishes to fight shall be declared the winner by “Kiken-gachi”.
- b) In the case where both contestants score Ippon simultaneously during the time allotted to the first contest, the contest shall be decided by the “Golden Score” contest. In the case of simultaneous Ippon during the “Golden Score” contest the Referee shall announce Mate, continuing the contest without taking into account these actions for scoring purposes.
- c) In the case where both contestants are penalized with accumulated Hansoku-make (result from successive Shido) simultaneously, the contest shall be decided by the “Golden Score” contest.
- d) For direct Hansoku-make given to both contestants, the IJF Jury will decide.

6. CARE system

The CARE system as defined in these Rules and in the SOR, will fall under the exclusive competence of the Refereeing Commission, and no one may interfere or define its operation outside the rules here listed or, in what was not covered, by the decision made by the Refereeing Commission in this regard.

Provides for the following situations of use:

- a) The Member of the Commission will intervene, stopping the contest and informing the Referee and Judges, in the situations defined below.
- b) The member of the Commission may give a positive assessment to all Referees (without stopping the contest), when in his opinion, and after

viewing both the live action followed by the CARE system replay, he is in agreement with the Referee and Judges.

Mandatory reviewing using the CARE system in support of the decision on the mat will be done under the following circumstances:

- a) Any decision involving the end of the contest, during the contest time as well as in the period of “Golden Score”.
- b) Kaeshi actions where there may be difficulty in the assessment of which contestant had the final control of the action and thereby implying the end of the contest.

Viewing of the CARE system and subsequent communication with the Referees as regulated in this article shall be up to the discretion of the Referee Commission member that oversees the mat. There shall be no unauthorized use or request of use of the CARE system other than by the Referees Commission.

ARTICLE 20 - Ippon

1. The Referee shall announce Ippon when in his opinion the applied technique corresponds to the following criteria:

- a) When a contestant with control throws the other contestant with a real impact on his back with considerable force and speed. When the fall is rolled without real impact, it is not possible to consider it Ippon.

All situations in which one of the contestants deliberately makes a “bridge” (head and one foot or both feet in contact with the Tatami) after having been thrown will be considered Ippon. This decision is taken for the safety of the contestants so they do not try to escape from the technique and endanger their cervical spine. Also an attempt of a bridge (arching the body) should be counted as a “bridge”.

- b) When a contestant holds with Osaekomi-waza the other contestant, who is unable to get away for 20 seconds after the announcement of Osaekomi.
- c) When a contestant gives up by tapping twice (2) or more with his hand or foot or says Maitta (I give up!) generally as a result of Osaekomi-Waza, Shime-waza or Kansetsu-waza.
- d) When a contestant is incapacitated by the effect of a Shime-waza or Kansetsu-waza.

2. Equivalence

Should one contestant be penalized with Hansoku-make, the other contestant shall immediately be declared the winner with a score equivalent to Ippon.

3. Special situations

- a) Simultaneous techniques. When both contestants fall to the Tatami after what appears to be simultaneous attacks and the Referees cannot decide which technique dominated there should be no score awarded.
- b) In the case where both contestants score simultaneous Ippon the Referee will act as regulated in article 19 paragraph 5.b.

ARTICLE 21 - Waza-ari

The Referee shall announce Waza-ari when in his opinion the applied technique corresponds to the following criteria:

- a) When a contestant with control throws the other contestant, but the technique is partially lacking in one (1) of the other three (3) elements necessary for Ippon (see Article 20 (a)).
- b) When a contestant holds with Osaekomi-waza the other contestant who is unable to get away for 15 seconds or more, but less than 20 seconds.

ARTICLE 22 - Waza-ari-awasete-Ippon

Should one contestant gain a second Waza-ari in the contest, (see Article 22) the Referee shall announce Waza-ari-awasete-Ippon.

ARTICLE 23 - Yuko

The Referee shall announce Yuko when in his opinion the applied technique corresponds to the following criteria:

- a) When a contestant with control throws the other contestant, but the technique is partially lacking in two (2) of the other three (3) elements necessary for Ippon.

When a contestant throws his opponent, with control, and the opponent falls on the side of the upper body it should be Yuko.

Examples:

- (1) Partially lacking in the element of “impact on the back” and is also partially lacking in one of the other two (2) elements of “speed” or “force”.
 - (2) Impact on the back but partially lacking in both of the other two elements of “speed” and “force”.
- b)** When a contestant holds with Osaekomi-waza the other contestant who is unable to get away for 10 seconds or more but less than 15 seconds.

APPENDIX Article 23 - Yuko

Regardless of how many Yukos are announced, no amount will be considered equal to a Waza-ari. The total number announced will be recorded.

ARTICLE 24 - Osaekomi-waza

The Referee shall announce Osaekomi when in his opinion the applied technique corresponds with the following criteria:

- a)** The contestant being held must be controlled by his opponent and must have his back, both shoulders and one shoulder in contact with the Tatami.
- b)** The control can be made from the side, from the rear or from on top.
- c)** The contestant applying the hold must not have his leg(s) or body controlled by his opponent's legs.
- d)** At least one contestant must have one part of his body touching the contest area.
- e)** The contestant applying Osaekomi must have his body in either the Kesa, the Shiho or Ura position, i.e. similar to the techniques Kesa Gatame, Kami-shiho-gatame or Ura-Gatame.

APPENDIX Article 24 - Osaekomi-waza

Should a contestant who is controlling his opponent with an Osaekomi-Waza, changed without losing control, into another Osaekomi-Waza, the Osaekomi time will continue until the announcement of Ippon (or equivalence), Toketa or Mate.

When Osaekomi is being applied, if the contestant who is in an advantageous position commits an infringement meriting a penalty, the Referee shall announce Mate, return the contestants to their standing positions, award the penalty (and any score from the Osaekomi), then recommence the contest by announcing Hajime.

When Osaekomi is being applied, if the contestant who is in a disadvantageous position commits an infringement meriting a penalty, the Referee shall announce Sono-mama, award the penalty, then recommence the contest by touching both contestants and announcing Yoshi. However, should the penalty to be awarded be Hansoku-make, the Referee shall, after announcing

Sono-mama, consult with the other Referees, announce Mate to return the contestants to their starting positions, then award Hansoku-make and end the contest by announcing Sore-made.

If both table Judges agree that an Osaekomi exists, but the Referee has not announced Osaekomi, they shall inform the Referee and by the “majority of three” rule, the Referee shall announce Osaekomi immediately.

Toketa should be announced if, during Osaekomi, the contestant being held succeeds in “scissoring” the other contestant’s leg (s), either from above or from below the leg.

In situations where the back of the contestant being held is no longer in contact with the Tatami, (e.g. “bridging”), but the contestant applying the hold maintains control, the Osaekomi shall continue.

ARTICLE 25 - Prohibited Acts and Penalties

The Prohibited Acts are divided into ‘Slight’ infringements (Shido) and ‘Grave’ infringements (Hansoku-make).

SLIGHT INFRINGEMENTS: Will receive a penalty of Shido.

GRAVE INFRINGEMENTS: Will receive a penalty of direct Hansoku-make.

the Referee decide to penalize the contestant(s), (except in the case of Sono-mama in Newaza) he shall temporarily stop the contest by announcing Mate, indicate the appropriate gesture for transgression and announce the penalty while pointing to the contestant(s) who committed the prohibited act.

During the fight there will be three Shido, and the fourth will be Hansoku-make (3 warnings and then disqualification). Shido do not give points to the other fighter, only technical scores can give points on the scoreboard.

At the end of the fight, if scoring is equal on the scoreboard, the one with less Shido wins. If the fight continues to Golden Score, the first receiving a Shido loses, or the first technical score will win.

Shido will be given to the fighter deserving it, in place, without having both fighters return to the formal start position (Mate – Shido – Hajime) except when a Shido is given for leaving the contest area.

There are several possibilities for disqualification (Hansoku-make). When an athlete receives a Hansoku-make they may or may not be allowed to continue in the competition if applicable.

In the case of Hansoku-make resulting from progressive penalties, the contestant penalised with four shido is allowed to continue competition.

In the case of direct Hansoku-make for protection of the judoka (diving head first onto the mat), the judoka is allowed to continue competition.

In the case of direct Hansoku-make for acts against the Judo spirit the judoka cannot continue in the competition. In this case, a disciplinary sanction may be added by IJF officials.

In the case of a double Hansoku-make as a consequence of a fourth shido, the result is considered equal and the Golden Score rule will be applied (situation similar to simultaneous ippon/victory).

For a direct Hansoku-make given to both contestants, the IJF Jury will decide.

In any case of misbehaviour by an athlete, which merits disqualification, the IJF Jury may exclude him from the rest of the championships.

Whenever a Referee awards a penalty, he should demonstrate with a simple gesture the reason for the penalty.

A penalty can be awarded after the announcement of Sore-made for any prohibited act done during the time allotted for the contest or, in some exceptional situations, for serious acts done after the signal to end the contest, as long as the decision has not been given.

SHIDO (Slight Infringements Group)

(a) Shido is given to any contestant who has committed a slight infringement:

- | |
|--|
| 1. To intentionally avoid taking Kumikata in order to prevent action in the contest. (See APPENDIX Article 25 - Prohibited Acts and Penalties- a) Shido) * |
| 2. To adopt in a standing position, after Kumikata, an excessively defensive posture. (Generally more than 5 seconds). |
| 3. To make an action designed to give the impression of an attack but which clearly shows that there was no intent to throw the opponent. (False attack). False attacks are defined as: <ul style="list-style-type: none">- Tori has no intention of throwing.- Tori attacks without Kumikata or immediately releases the Kumikata.- Tori makes a single attack or a number of repeated attacks with no breaking of Uke's balance.- Tori put a leg in between Uke's legs to block the possibility of an attack. |
| 4. In a standing position, to continually hold the opponent's sleeve end(s) for a defensive purpose or to grasp by "screwing up" the sleeve end(s). |
| 5. In a standing position, to continually keep the opponent's fingers of one or both hands interlocked, in order to prevent action in the contest. Or to take the wrist or the hands of the opponent only to avoid the grip or the attack on him should be penalized by Shido. |
| 6. To intentionally disarrange his own Judogi or to untie or retie the belt or the trousers without the Referee's permission. |
| 7. To pull the opponent down in order to start Newaza unless in accordance with Article 16. (See APPENDIX Article 25 - Prohibited Acts and Penalties- a) Shido) * |
| 8. To insert a finger or fingers inside the opponent's sleeve or bottom of his trousers. |

9. In a standing position to take any grip other than a “normal” grip without attacking. (See APPENDIX Article 25 - Prohibited Acts and Penalties – a) Shido) *
10. In a standing position, before or after Kumikata has been established, not to make any attacking moves. (See APPENDIX Article 25 - Prohibited Acts and Penalties – a) Shido) *
11. To hold the opponent’s sleeve end(s) between the thumb and the fingers (“Pistol” grip).
12. To hold the opponent’s sleeve end(s) by folding it over (“Pocket” grip). ‘Pistol’ and ‘Pocket Grip’ on the bottom of the sleeve without immediate attack is penalized by Shido.
13. To hug directly the opponent for a throw (Bear hug). However it is not a Shido when a contestant, Tori or Uke has Kumikata with a minimum of one hand, either Tori or Uke has the possibility to hug the opponent for a throw (Bear hug). No Shido.
14. To encircle the end of the belt or jacket around any part of the opponent’s body. (See APPENDIX Article 25 - Prohibited Acts and Penalties – a) Shido) *
15. To take the Judogi in the mouth (either his own or his opponent’s Judogi).

17. To put a foot or a leg in the opponent’s belt, collar or lapel.
18. To apply Shime-waza using either your own or your opponents belt or bottom of the jacket, or using only the fingers. (See APPENDIX Article 25 - Prohibited Acts and Penalties – a) Shido) *
19. To go outside the contest area or intentionally force the opponent to go outside the contest area either in standing position or in Newaza. (See Article 9 - “Exceptions”).
If a contestant puts one foot outside of the contest area without immediate attack or not returning immediately inside the contest area is penalized by Shido. Two feet outside the contest area is penalized by Shido.
If the contestant is pushed outside the contest area by his opponent, then the opponent will receive a Shido. (If the fighters leave the contest area, they are not penalized by Shido when the attack is engaged in a valid position).
20. To apply leg scissors to the opponent’s trunk (Dojime), neck or head. (Scissor with crossed feet, while stretching out the legs).

- | |
|---|
| 21. To kick with the knee or foot, the hand or arm of the opponent, in order to make him release his grip or to kick the opponent's leg or ankle without applying any technique |
| 22. To bend back the opponent's finger(s) in order to break his grip. |
| 23. Breaking the grip of the opponent with 2 hands. |
| 24. Cover the upper part of the lapel of the Judogi jacket to prevent the grip. |
| 25. To force the opponent with either one or both arms to take a bending position without immediate attack will be penalized by Shido for a blocking attitude. |

HANSOKU-MAKE (Grave Infringements Group)

(a) Hansoku-make is given to any contestant who has committed a Grave Infringement (or who having been given three (3) Shido, commits a further Slight Infringement):

- | |
|---|
| 1. To apply Kawazu-gake. (To throw the opponent by winding one leg around the opponent's leg, while facing more or less in the same direction as the opponent and falling backwards into him). (See APPENDIX Article 25 - Prohibited Acts and Penalties – b) Hansoku-Make) ** |
| 2. To apply Kansetsu-waza anywhere other than to the elbow joint. (See APPENDIX Article 25 - Prohibited Acts and Penalties – b) Hansoku-Make) ** |

| 5. To disregard the Referee's instructions. |
| 6. To make unnecessary calls, remarks or gestures derogatory to the opponent or Referee during the contest. |
| 7. To make any action this may endanger or injure the opponent especially the opponent's neck or spinal vertebrae, or may be against the spirit of Judo. |
| 8. To fall directly to the Tatami while applying or attempting to apply techniques such as Ude-Hishigi-Waki-Gatame. (See APPENDIX Article 25 - Prohibited Acts and Penalties – b) Hansoku-Make) ** |

9. To “dive” head first, onto the Tatami by bending forward and downward while performing or attempting to perform techniques such as Uchi-mata, Harai-goshi, etc. or to fall directly backwards while performing or attempting a technique.
10. To intentionally fall backwards when the other contestant is clinging to his back and when either contestant has control of the other’s movement.
11. To wear a hard or metallic object (covered or not).
12. All attacks or blocking with one or two hands or with one or two arms below the belt in Tachi-Waza will be penalized by Hansoku-make. It is possible to grip the leg only when the two opponents are in a clear Newaza position and the Tachi-Waza action has stopped.
13. Any action against the spirit of Judo may be punished by a direct Hansoku-Make at any time in the contest.

When a contestant has repeated slight infringements and is to be penalized with his fourth (4th) Shido the Referee, after consultation with the other Referees, shall give the contestant “Hansoku-make”, that is to say that the 4th Shido is not announced as “Shido”, but shall be announced directly as “Hansoku-make”. The contest ends according to the Article 19 (c).

APPENDIX Article 25 - Prohibited Acts and Penalties

Referees are authorized to award penalties according to the “intention ” or situation and in the best interest of the sport.

Should the Referee decide to penalize the contestant(s), (except in the case of Sono-mama in Newaza) he shall temporarily stop the contest by announcing Mate, should penalize or return the contestants to their starting positions (Article 17) and announce the penalty while pointing to the contestant(s) who committed the prohibited act.

Before awarding Hansoku-make, the Referee must consult with the Judges and make his decision in accordance with the “majority of three” rule. Where both contestants infringe the rules at the same time, each should be awarded a penalty according to the seriousness of the infringement.

Where both contestants have been given three (3) Shidos and subsequently each receives a further penalty, they should both be declared Hansoku-make. A penalty in Newaza should be applied in the same manner as in Osaekomi (Article 24 Appendix, the 2nd and 3rd paragraphs).

(a) Shido *

- 1) *When a contestant is breaking three times in the period of Kumikata the grip of his opponent, the Referee should penalize this contestant with Shido.*
- 7) *Where one contestant pulls his opponent down into Newaza not in accordance with Article 16 and his opponent does not take advantage of this to continue into Newaza, the Referee shall announce Mate and give Shido to the contestant who has infringed Article 16 (without returning to the starting position).*
- 9) *“Normal” Kumikata is taking hold the right side of the opponent’s Judogi, be it the sleeve, collar, chest area, top of the shoulder or back with the left hand and with the right hand the left side of the opponent’s Judogi be it the sleeve, collar, chest area, top of the shoulder or back and always above the belt or vice versa.*

If a contestant continues to take an abnormal Kumikata, the time allowed may be progressively reduced, and even to a “direct penalty” of Shido.

As long as a contestant makes a cross grip, that means with two hands, one hand on the opposite side of the back, shoulder or arm of the other contestant, he should attack immediately or the Referee must penalize with Shido. Under no circumstances it is permitted to grab below the belt.

Cross gripping should be followed by an immediate attack. Same rule as for belt gripping and one side gripping.

A contestant should not be penalized for holding with an abnormal grip if the situation has been brought about by his opponent ducking his head beneath the holder’s arm. However, if a contestant is continually “ducking” this way, the Referee should give consideration as to whether he is adopting an “excessively defensive posture” (2).

Hooking one leg between the opponent’s legs unless simultaneously attempting a throwing technique is not considered to be the normal Kumikata and the contestant must attack within 5 seconds or the contestant will be penalised with “Shido”.

10. “No-combativity” may be taken to exist when in general, for approximately 25 seconds; there have been no attacking actions on the part of one or both contestants. No-combativity should not be awarded when there are no attacking actions, if the Referee considers that the contestant is genuinely looking for the opportunity to attack.

The Referees should penalize strictly the contestant who does not engage in a quick Kumikata or who tries not to be gripped by the opponent.

14. The act of “encircling” means that the belt or jacket must completely encircle. Using the belt or jacket as an “anchor” for a grip (without encircling), e.g. to trap the opponent’s arm, should not be penalized.

16. The face means the area within the line bordered by the forehead, the front of the ears and the jaw-line.

18. Point 18 will be strictly observed for Shime-waza is not allowed with either your own or your opponents belt or bottom of the jacket, or using only the fingers.

(b) Hansoku-make**

1. Even if the thrower twists/turns during the throwing action, this should still be considered “Kawazu-gake” and be penalised.

Techniques such as O soto-gari, O uchi-gari, and Uchi-mata where the foot/leg is entwined with opponent’s leg will be permitted and should be scored.

2. Kansetsu-waza is authorized for Cadets.

8. To attempt such throws as Harai-goshi, Uchi-mata, etc., with only one hand gripping the opponent’s lapel from a position resembling Ude-hishigi-waki-gatame (in which the wrist of the opponent is trapped beneath the thrower’s armpit) and deliberately falling, face down, onto the Tatami is likely to cause injury and will be penalised.

No intent to throw an opponent cleanly onto his back is a dangerous action and will be treated in the same way as Ude-Hishigi-Waki-Gatame.

Strict application of the Refereeing Rules in the following fields

*FORBIDDEN: Grips of legs and blocking:
All direct attacks or blocking with one or two hands or with one or two arms below the belt are prohibited.*

Penalty: HANSOKU-MAKE

Examples:

Hansoku-make blue

Extreme defensive position

Shido for both

ARTICLE 26 - Default and Withdrawal

The decision of Fusen-gachi shall be given to any contestant whose opponent does not appear for his contest according to the 30 seconds rules.

Punctuality for contests ('30 seconds rule'). - Applies to all IJF events.

Forfeit of a fight: If one contestant is ready on time and the Referee Commission see that his opponent is not present they will ask the speaker to announce 'the last call for missing athlete' (there will no longer be three calls at one minute intervals).

The Referee will then invite the prepared contestant to wait at the edge of the competition area. The scoreboard will start to count down 30 seconds. If at the end of 30 seconds the opponent is still not present the mat Referee will invite the athlete to enter the competition area and will be declared the winner by Fusen-gachi.

The athlete forfeiting a match may participate in the repechage provided the IJF jury find that certain criteria are fulfilled.

The Referees must be sure before awarding Fusen-gachi that they have received the authority to do so by the Refereeing Commission.

The decision of Kiken-gachi shall be given to any contestant whose opponent withdraws from the competition for any reason, during the contest.

APPENDIX Article 26 - Default and Withdrawal

Soft contact lens: - In the event that a contestant loses his contact lens during the contest and cannot immediately recover them, and if he then informs the Referee that he cannot continue competing without the contact lens, the Referee shall give the victory to his opponent by Kiken-gachi after consulting with the table Judges .

ARTICLE 27 - Injury, Illness or Accident

The decision of the contest where one contestant is unable to continue because of injury, illness or accident during the contest shall be given by the Referee after consultation with the other Referees according to the following clauses:

a) Injury

- (1) Where the cause of the injury is attributed to the injured contestant he shall lose the contest.
- (2) Where the cause of the injury is attributed to the uninjured contestant the uninjured contestant shall lose the contest.
- (3) Where it is impossible to determine which of the contestants was the cause of the injury was, the contestant unable to continue shall lose the contest.

b) Sickness

Generally, where one contestant is taken sick during a contest and is unable to continue, he shall lose the contest.

c) Accident

Where an accident occurs which is due to an outside influence (force majeure), after consulting with the Referee Commission, the contest shall be considered cancelled or postponed. In those cases of 'force majeure', the Sports Director, the Sports Commission and/or the IJF Jury will take the final decision.

Medical Examinations

- a) The Referee shall call the Doctor to attend to a contestant who has received a severe impact to the head or back (spinal column), or whenever the Referee has reason to believe there may be a grave or

serious injury. In either case, the Doctor will examine the contestant in the shortest time possible and indicate to the Referee whether the contestant can continue or not.

If the Doctor, after examining an injured contestant, advises the Referees that the contestant cannot continue the contest the Referee, after consultation with the other Referees, shall end the contest and declare the opponent to be the winner by Kiken-gachi.

- b) The contestant may ask the Referee to call for the doctor, but in this case the contest is terminated, and his opponent shall win by Kiken-gachi.
- c) The Doctor may also ask to attend to his contestant, but in this case the contest is terminated, and the opponent will win by Kiken-gachi.

In any case whenever the Referees are of the opinion that the contest should not continue, the central Referee shall end the contest and indicate the result in accordance with the rules.

Bleeding Injuries

When a bleeding injury occurs, the Referee shall call the Doctor to assist the contestant in stopping and isolating the bleeding.

In cases of bleeding, for health reasons, the Referee shall call for the Doctor; it is not allowed to compete while bleeding.

However, the same bleeding injury may be treated by the Doctor on two (2) occasions. The third (3rd) time that the same bleeding injury occurs, the Referee, after previous consultation with the other Referees, shall end the contest for the contestant's own safety and he shall declare the opponent to be the winner by Kiken-gachi. In any case where the bleeding cannot be contained and isolated, the opponent shall be the winner by Kiken-gachi.

Minor Injuries

A minor injury may be treated by the contestant himself. For example in the case of a dislocated finger, the Referee shall stop the contest (by calling Mate or Sono-mama) and allow the contestant to reset the dislocated finger. This action should be done immediately with no assistance from the Referee or the Doctor and the contestant can continue in the contest.

The contestant will be allowed to reset the same finger on two (2) occasions. If the same dislocation occurs a third (3rd) time, the contestant shall not be

considered to be in condition to continue in the contest. The Referee, after previous consultation with the Judges, shall end the contest and declare the opponent to be the winner by Kiken-gachi.

APPENDIX Article 27 - Injury, Illness or Accident

If during the contest a contestant is injured due to an action by the opponent and the injured contestant cannot continue, the Referees should analyse the case and make a decision based on the rules. Each case shall be decided on its own merit. (See paragraph: a) Injury 1, 2 and 3).

Generally only one (1) Doctor for each contestant is allowed on the competition area. Should a Doctor require an assistant(s), the Referee must first be informed. The coach is never allowed on the competition area. The Referee shall draw near to the injured contestant to ensure that the assistance provided by the Doctor is within the Rules.

However the Referee may consult with the Judges in case he needs to comment on any decision.

Medical Assistance

The medical assistance in the following cases should be outside of the competition area, close to the table of Judges and the injured contestant must be accompanied by one of the judges.

a) In a minor injury

In the case of a broken nail, the Doctor is allowed to assist in cutting the nail. The Doctor may also help in adjusting a Scrotum injury (testicles).

b) In a bleeding injury

For safety measures whenever there is blood it must always be completely isolated with the assistance of the Doctor by means of adhesive tape, bandages, nasal tampons, (the use blood clotters and haemostatics products is permitted). When the Doctor is called to assist a contestant, such medical assistance should be given as quickly as possible.

Note: With the exception of the above situations, if the Doctor applies any treatment the opponent shall win by Kiken-gachi.

Types of Vomiting

Any type of vomiting by a contestant shall result in Kiken-gachi for the other contestant. (See paragraph: b) Sickness).

In the case where a contestant through a deliberate action causes an injury to the opponent, the penalty given to the contestant inflicting the injury on the opponent shall be a direct Hansoku-make, apart from any other disciplinary action that may be taken by the Sports Director, the Sport Commission and/or the IJF Jury.

When a Doctor clearly realises - especially in the case of Shime-waza – that there is a serious danger to the health of one of the contestant that he is responsible for, he can go to the edge of the competition area and call upon the Referees to immediately stop the contest. The Referees shall take all necessary steps to assist the Doctor. Such an intervention will necessarily mean the loss of the contest for his contestant and should therefore only be taken in extreme cases.

If a Cadet loses consciousness during Shime-waza they are no longer able to continue in the competition.

At the IJF Championships, the official team Doctor shall have a medical degree and must register prior to the competition. He shall be the only person allowed to sit in the designated area and must be so identified. e.g. by wearing a Red Cross arm-band or waistcoat.

When accrediting a Doctor for their team, the National Federations must take the responsibility for the actions of their Doctors. The Doctors must be aware of any amendments and the interpretations of the Rules.

ARTICLE 28 - Situations not Covered by the Rules

Where any situation arises which is not covered by these rules, it shall be dealt with and a decision given by the Referees after consultation with the Refereeing Commission.
