Distinguished members of the international judo community,

I am pleased to introduce to you our new detailed explanation of the rules effective from 01st of January 2018.
In the process of development of our sport, it is of utmost importance to do the best, first of all for the content and the image of our sport, for a better comprehensibility and consistence of the rules for judokas, judo lovers and the World.
We are continuously reforming the strategy in all the sectors of the IJF to make our sport a modern one, outstanding and understandable for everyone.
I’m convinced the new elements of the rules and judo methodic will be a great benefit for the judo family, spectators, partners and media.

Judogi

• For a better efficiency and to have a good grip it is necessary for the jacket to be well fitted in the belt, with the belt tied tightly.

• To reinforce that, the competitor shall arrange their judogi and belt quickly between Mate! and Hajime! announced by the referee.

• If an athlete intentionally loses time arranging his jacket and belt, he will receive Shido.

If Ne-waza starts inside the contest area and goes outside with continuous action from either athlete it can be valid.

It is Shido: if the athlete in blue, is not going back in the yellow area or is not attacking immediately.

It is allowed to use Kata-sankaku grip in Ne-waza action.

Kata-sankaku in Ne-waza is prohibited to block the opponents body with the legs and must be mate.

Kata-sankaku grip in Tachi-waza must be mate.
When is it Ne-waza?

Both athletes must have two knees on the floor, for it to be considered Ne-waza.

No contact between the opponents must be Mate!

Lying on the stomach on the ground, the blue athlete is in Ne-waza.

Grip control from standing athlete (white): we still consider athlete on the knees (blue) in Tachi-waza and consequently Tachi-waza regulation would be applied. However, if white does not attack immediately, then the referee must call Mate! Athlete on the knees (blue) cannot grab the legs to defend the throw with his arms, if this happens, Shido will be given.

Negative judo

- In the case of a double Hansoku-make (in regular time and golden score) as a consequence of a third Shido both athletes will be disqualified from the competition.
- For a direct Hansoku-make given to both contestants, the IJF Jury will decide.
VERY IMPORTANT

If it is not extremely clear who should receive the score or penalty, in the spirit of fair play it is better not to take any decision and to allow the contest to continue.
